

Regulations

1. The user regulations are intended to regulate the use of the landing stage on the Dender in Ninove at the level of the municipal park.
2. Anyone using the landing stage agrees to the applicable user regulations.
3. The landing stage is the property of the Town of Ninove and is managed by the Town Council.
4. Users of the jetty must comply with the instructions of the municipal authorities and their representatives.
5. Any vessel using the landing stage must be identifiable (legal immatriculation number) and comply with all applicable regulations issued by the authorities and the waterway manager.
6. The jetty is intended for pleasure craft in transit.
7. No demurrage is payable for the use of the jetty.
8. The maximum duration of use of the jetty is 72 hours. Under no circumstances can vessels moor there for long periods.
9. The landing stage may also be used temporarily with the prior written approval of the municipal authorities for canoes, kayaks, etc. in connection with activities on the Dender, provided that they do not in any way impede the moored pleasure craft for which the landing stage is primarily intended.
10. Everyone using the jetty shall ensure a tidy environment. It is forbidden to leave litter, waste, pet excrement, etc. on or near the jetty.

11. Everyone using the jetty must comply with the regulations concerning (noise) nuisance.
12. It is not possible to reserve places on the jetty.
13. Electricity and water must be obtained via the infrastructure provided. Fraud will always be reported to the police.
14. The boat owner or the person driving the boat is at all times liable for any damage he may cause to third parties, the jetty or its equipment.
15. Boats shall be provided with a sufficient number of fenders in good condition and of the correct size.
16. Every vessel must be safely and properly moored with due regard to all safety measures.
